

Who We Are

Corporate Statement : Changing clothes. Changing conventional wisdom. Change the world.

- Fast Retailing is a global company that operates multiple fashion brands including UNIQLO, GU, and Theory. As the world's third-largest manufacturer and retailer of private-label apparel, the Fast Retailing Group offers high-quality, reasonably-priced clothing by managing everything from procurement, design, and production to retail sales.
- To create truly great clothing with new and unique value, and to enable people all over the world to experience the joy, happiness and satisfaction of wearing such great clothes.
- To enrich people's lives through our unique corporate activities, and to seek to grow and develop our company in unity with society.
- UNIQLO, with its LifeWear concept of ultimate everyday comfort, seeks to differentiate itself by offering unique products made from high-quality and high-functioning materials.
