

2025 HSBC Global Payments Solutions Summer Internship – Singapore

HSBC offers a world of opportunities to students and graduates studying any degree from any background, giving them the freedom to build a thriving career that goes beyond banking.

We know how important it is to have the right skills, both for your future and ours. By building this skillset now, we'll help you develop the agility to keep learning new skills throughout your career.

We'll help you develop the technical skills most relevant to your role. We'll also provide plenty of opportunities to advance your non-technical skills, like relationship management and collaboration, that will help you move your career forward successfully.

Over the course of ten weeks, you'll get to:

- Work with different teams to support clients ranging from small local businesses to large corporations, banks, and governments.
- Develop expertise in product development, client engagement, business, and risk management with one of the following teams: Sales, Product Management, Client Management, Business Management, and the Chief Control Office.
- Be involved with strategic initiatives as part of a larger workstream and learn about our products as you create internal presentations and support senior leaders.
- Top performers will be considered for our [Global Payment Solutions Graduate Programme](#), which will provide you with future career prospects in transaction banking.

This Programme is suitable for final year students or recent graduates who are available to work full time from July 2025 onwards. We will consider candidates that require a visa sponsorship for this role.

Applications close on **16 December 2024**, but we encourage you to apply as soon as possible as we recruit on a rolling basis and may close applications before the advertised date once vacancies are filled.

We look forward to receiving your application soon.

2025 HSBC Operating Excellence Summer Internship – Singapore

HSBC offers a world of opportunities to students and graduates studying any degree from any background, giving them the freedom to build a thriving career that goes beyond banking.

We know how important it is to have the right skills, both for your future and ours. By building this skillset now, we'll help you develop the agility to keep learning new skills throughout your career.

We'll help you develop the technical skills most relevant to your role. We'll also provide plenty of opportunities to advance your non-technical skills, like relationship management and collaboration, that will help you move your career forward successfully.

Over the course of ten weeks, you'll get to:

- Explore Digital Business Services (DBS) – the foundation of HSBC – providing the operations, technology, and business services the bank needs to succeed.
- Spend time working with the dedicated teams in Global Operations, the Deputy Chief Operating Office, the Chief Control Office (CCO) and Global Procurement
- Make a real and meaningful contribution in areas like digital transformation, customer experience, mergers and acquisitions, strategic procurement, and risk and governance.
- Take part in a special business project where you'll work with other interns to solve a real-world business challenge.
- Perform well and you'll be considered for a place on our [Operating Excellence Graduate Programme](#)

This Programme is suitable for final year students or recent graduates who are available to work full time from July 2025 onwards. We will consider candidates that require a visa sponsorship for this role.

2025 HSBC Securities Services Summer Internship – Singapore

HSBC offers a world of opportunities to students and graduates studying any degree from any background, giving them the freedom to build a thriving career that goes beyond banking.

We know how important it is to have the right skills, both for your future and ours. By building this skillset now, we'll help you develop the agility to keep learning new skills throughout your career.

We'll help you develop the technical skills most relevant to your role. We'll also provide plenty of opportunities to advance your non-technical skills, like relationship management and collaboration, that will help you move your career forward successfully.

During your time on the 10 weeks programme, you'll:

- Grow your knowledge of Securities Services with the help of our support, training, and practical experience.
- Work alongside teams involved in custody services, investment operations, fund administration and middle office services.
- Gain a valuable insight into one or two of our own products and services.
- Learn how to navigate a large, global organisation, improve your communication skills, and develop capabilities in a variety of technical areas.
- Develop your understanding of relationships within our Markets and Securities Services business, and how we work together to serve our clients.
- Have plenty of opportunities to develop your behavioral, cognitive, and technical skills, and people to support you along the way, ensuring that you're well prepared for the future.

This Programme is suitable for students planning to graduate between December 2025 and June 2026. We will consider candidates that require a visa sponsorship for this role.

2025 HSBC Wealth and Personal Banking Summer Internship – Singapore

You're excited about starting your career and exploring the many paths and possibilities. We're a global bank with an inclusive culture and diverse opportunities, spanning all aspects of banking, technology, operations and beyond.

Whichever path you choose, we offer valuable experiences and learning, with support at every step.

We'll help you develop the technical skills most relevant to your role. We'll also provide plenty of opportunities to advance your non-technical skills, like relationship management and collaboration, that will help you move your career forward successfully.

Over the course of ten weeks, you'll get to:

- Work with the various Head Office teams in our Wealth Management, Personal Banking, and Insurance businesses, including the Chief Operating Office, Digital Transformation, Product Development and Strategy.
- Contribute to projects that develop and improve our offerings across cards, mortgages, and lending, or help create a more personalised banking experience using digital and data.
- Upon successful completion of your internship, you could have the opportunity to join our graduate programme the following year.
- Benefit from a mix of on-the-job learning and courses offered through LinkedIn Learning, Fit for Banking modules and development pathways on Degreed.
- Enjoy many networking and learning opportunities, with speaker panels, insight sessions and lunch and learns that explain key business areas and the career paths they offer.
- Have plenty of other opportunities to develop your skills, and people to support you along the way, ensuring that you're well prepared for the future.

This Programme is suitable for students planning to graduate between December 2025 and June 2026.
