

# Southeast Asia Campus Recruitment Newsletter

UNLOCK YOUR FUTURE WITH ENVISION

**Dear Future Challenger,**

Welcome to the official Envision Southeast Asia Campus Recruitment Newsletter, where we open doors to endless opportunities in the world of renewable energy and smart technologies.

Whether you're a recent graduate or in your final year, we invite you to explore a career that will empower the world to transition to sustainable energy.

## **Why Envision?**

At Envision, we're shaping a better world by revolutionizing the energy industry. Join us and become part of a global leader in renewable energy, where innovation, sustainability, and purpose come together.

- **Global Presence:** Work in one of the world's fastest-growing industries with offices and projects in Southeast Asia, China, Europe, and beyond.
- **Cutting-Edge Technology:** Collaborate with teams working on breakthrough energy storage, wind power, and AI-driven smart solutions.
- **Challenger Spirit:** Bring your ideas to life with a team that encourages creativity and boldness, driving the future of energy.

**Join Our Team!**

**We are seeking talented and driven graduates for exciting Project Development roles in various countries in Southeast Asia such as Malaysia, Philippines, Vietnam, Laos, Cambodia, Indonesia etc.**

## Graduate Programs

Kickstart your career with Envision through our graduate programs, designed to provide hands-on experience, mentorship, and fast-track opportunities for leadership roles. Previous program participants have gone on to manage projects in countries like the Philippines and Vietnam, contributing directly to the global energy transformation.

## Southeast Asia Opportunities

Be at the heart of innovation as we expand across Southeast Asia, focusing on markets like the Philippines, Malaysia, Vietnam, and Indonesia.

We're looking for passionate individuals ready to make an impact on the renewable energy landscape in this dynamic region.

## Positions

- Business Development
- Comprehensive Solutions
- EPC management

Stay tuned for our campus recruitment activities at leading universities across Southeast Asia. Learn more about life at Envision, meet our leadership, and discover how you can be a part of our journey to a sustainable future.

## Success Stories: Hear from Our Talent

"As a graduate in Envision's Southeast Asia program, I've had the opportunity to work on groundbreaking renewable energy projects in both the Philippines and Vietnam. The experience has been both transformative and rewarding."

— *Adrian, Business Development Associate, Envision Philippines*

"Envision gave me the chance to innovate and solve real-world energy challenges. The company's commitment to sustainability is what inspired me to join."

— *Emily, Solution Manager (Former Envision Graduate)*

## Be a Part of the Future

At Envision, we don't just offer jobs, we offer careers that matter. Be a part of the solution to the world's biggest energy challenges.
