

Job Description – Investment Intern, Carbon neutrality Sector

About Cathay Capital

A global investment firm (€7.0bn AUM) helping companies at all stages navigate the opportunities of globalization and sustainable transformation. Its platform connects people – from investors and entrepreneurs to management teams and leading corporations – across continents to share knowledge and the tools to scale, lead markets, make a positive impact and achieve the extraordinary.

The Cathay Energy-tech team was established in 2019. It is jointly established by Cathay & three Fortune 500 companies (TotalEnergies, Air Liquide, and CMA CGM) and is the first RMB fund with new energy + carbon neutrality as the main investment thesis. The fund mainly invests in growth-stage enterprises with high growth potential & technical barriers.

- ✓ Fund's covered sector includes photovoltaics, hydrogen energy, power batteries, energy storage, charging and swapping business models, energy Internet, distributed energy centers, industrial Internet, and third-generation semiconductors. The fund mainly uses innovative technologies and innovative business models to lead and redefine China's clean energy, low-carbon economy and new materials industries.
