

## **1.School Profile**

Founded in 2021, Shenzhen Hong Kong Pui Kiu College Longhua Xinyi School (PKXYS) is a collaborative initiative between the Hong Kong Xinyi Group and the Pui Kiu Education Foundation. It stands as the first internationalized boarding school in Mainland China to simultaneously implement both the National Compulsory Education Curriculum and the Hong Kong Curriculum, and is also the first school in Mainland China to offer a 16-year continuous education program tailored for Hong Kong students.

Strategically located in Longhua District, Shenzhen, adjacent to the Shenzhen North Railway Station hub, the school spans approximately 45,000 square meters, with a total construction area of around 180,000 square meters. Its location offers unparalleled convenience, with only 19 minutes to Hong Kong West Kowloon Station and 21 minutes to Futian Port via high-speed rail and Shenzhen Metro Line 4—making daily commutes between Shenzhen and Hong Kong both practical and efficient.

### **Curriculum and Accreditation**

PKXYS offers a diverse and comprehensive range of curricula, including:

- The Mainland Chinese Middle School Curriculum
- The Hong Kong Diploma of Secondary Education Examination (HKDSE)
- International Curricula: IGCSE, A-Level, and NCUK International Foundation Year (IFY)

PKXYS is proud to be:

The first school in Mainland China to undergo External School Review organized by the Hong Kong Education Bureau and conducted by the Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ).

Officially recognized as operating with a school model equivalent to Hong Kong's subsidized or directly-funded schools.

An authorized Cambridge Assessment International Education (CAIE) school (Global Centre Code: CX221).

An NCUK-accredited institution, authorized to deliver the IFY program.

### **Our Vision and Educational Philosophy**

As a pioneering model school in the Greater Bay Area, PKXYS bridges the strengths of Shenzhen and Hong Kong's education systems, backed by favorable government policies, top-tier facilities, and outstanding teaching talent.

Our educational model:

Integrates Hong Kong's curriculum and teaching methodology with the Mainland's strengths in Chinese Language, Mathematics, Chinese Culture, and Traditional Ethics.

Offers a multilingual environment and fosters an international outlook.

Encourages students to become critical thinkers rooted in Chinese heritage and equipped with a global perspective.

PKXYS is committed to cultivating forward-thinking students who are well-prepared to thrive in the 21st century and to contribute meaningfully to both Hong Kong's continued prosperity and China's global development.

## **2. Positions Available**
