

CIO Office Intern (Investment Research) | Fargo Wealth Group

Responsibilities:

We are currently looking for an Intern to join our team. This is an excellent opportunity for students who have strong interest in capital markets to gain working experience in a fast-growing company. Successful candidates will be working closely with our CIO Office in Hong Kong, assisting the team with duties including but not limited to:

- Compose investment-related video;
- Prepare daily commentary, covering macroeconomics, FX, equity and bond markets
- Summarize investment banking reports of various asset classes, highlight main themes and key investment ideas of the reports;
- Attend investment seminar and prepare key takeaways of the conference.

Requirements:

- Postgraduate degree with solid finance / investment knowledge;
- Experience and interested in composing short video with proven track record on personal or corporate level;
- Should be available for the internship of at least 3 months, preferred up to 6 months;
- Able to work 4-5 days a week
- Good performers will be retained for permanent position;
- Mature, detail-oriented, self-motivated, committed team player;
- Good analytical and logic mindset, multi-tasking and communication skills;
- Native Mandarin speaking with good English skills.

Application Method

Interested students are welcome to send your CV to talent@fargowealth.com.hk.
