

Management Associate Programme

Designed to nurture the next generation of leaders. The UOB Indonesia Management Associate Programme is a 24-month exploration that will equip you with the necessary skills for navigating the banking landscape. Transform from graduate to leader and expand your skillset at a bank trusted to build the future of ASEAN. Participants will also have the opportunity to gain valuable learning and development exposure with UOB China, building both regional insights and cross-border experience.

Program Highlights

- Get accelerated growth through personalised job rotations
- Acquire regional exposure and cross-functional networking
- Receive strong support and guidance from industry experts
- Develop in-depth knowledge through strategic corporate projects

Who We're Looking For

- Indonesian nationals graduating from universities in China
- Bachelor or Master degree
- Fresh Graduates or ≤ 2 years of work experiences
- Fluent English and Mandarin spoken & written
- Passionate about building a career in banking
- Strong team players with leadership potential
